Backend Basics: Python, Django, SQL

Other Tools: REST APIs, Agile Methodologies, Responsive Design

EXPERIENCE

Frontend Web Developer

Nov 2022 – Present

CANKADO India Pvt Ltd - Digital Health Solutions

Trivandrum, India

- Developed and maintained **digital health applications** using **React.js** and **Redux**, ensuring seamless user experiences.
- Designed and implemented **responsive dashboards** for patients and physicians, improving accessibility and usability.
- Collaborated with backend developers to integrate **RESTful APIs** and optimize application performance.
- Utilized **Figma** to translate design mockups into pixel-perfect frontend code.
- Conducted code reviews and resolved bugs, ensuring high-quality deliverables.

Full Stack Developer Intern

May 2022 – Nov 2022

Scope India Fresher Training - Software and Networking Education

Trivandrum, India

- Built a **full-stack web application** using **Django** and **React.js**, featuring user authentication and CRUD operations.
- Implemented **responsive designs** using **Bootstrap** and **CSS3**, ensuring compatibility across devices.
- Integrated third-party APIs to enhance application functionality and user experience.
- Optimized database queries and implemented caching mechanisms to improve backend performance.

PROJECTS

E-commerce Website

- Developed a fully functional e-commerce platform with **product catalog management**, **shopping cart**, and **secure checkout**.
- Integrated **payment gateways** (e.g., Stripe) for seamless online transactions.
- Implemented **SEO best practices** to improve website visibility and drive traffic.

CookBookify

- Created a **recipe-sharing platform** with advanced search and filtering options for personalized recipe discovery.
- Designed an **intuitive UI** with multimedia support for enhanced user engagement.
- Integrated **social sharing features** to allow users to share recipes on social media platforms.

Educational Website

- Developed an **online learning platform** with **course enrollment**, **progress tracking**, and **interactive quizzes**.
- Implemented **discussion forums** and **messaging features** to foster collaboration among learners.
- Designed **responsive layouts** to ensure accessibility on all devices.

EDUCATION

Master of Arts (MA), Political Science

University College Thiruvananthapuram

2011 - 2013

Thiruvananthapuram, India
